

Marketing Workshop - 22nd January 2019

Energy Office for Southeast of Sweden invites small and medium-sized businesses active within accommodation/ restaurant/SPA for a creative full day marketing workshop, focusing on circular economy and sustainability, on January 22nd 2019. Take the opportunity to develop your company's marketing work within the framework of the Interreg project CIRTOINNO, whose purpose is to provide circular solutions for companies operating in the Blekinge visiting industry. The workshop will, inter alia, provide support in communicating sustainability work through social media as well as how to avoid common mistakes in the marketing work as an entrepreneur.

The invitation will be sent later, but book now the date in the calendar, or sign up for the contact below;
