

Towards a circular economy - Cirtoinno final conference

Representatives of the tourism industry and organizations supporting tourism development met on October 10th at a conference **“Towards a circular economy - innovations in tourism in the South Baltic”**. Conference as a part of the CIRTOINNO project was organized by the project leader Pomerania Development Agency (Agencja Rozwoju Pomorza).

The experts explained idea of circular economy and the possibilities of implementation of its solutions in the tourism business. In the panel discussion 4 specialists - representing science and business practice - presented their view and discussed possible steps for transitioning towards CE by tourism.

Companies from Pomerania awarded in the contest “Leader of CE change” were presented in three categories:

REDUCE - Hotel Kozi Gród

REUSE - AVOKADO

RETHINK - LAWENDOWA OSADA.

Materials from the conference are available below.
